SUMMARY

Motivated and creative undergraduate Software Engineering student with a strong passion for UI/UX design. I am skilled in blending technical expertise with user-centered design principles to create visually appealing, intuitive, and functional digital experiences. Adept to using design tools such as Figma, and I am familiar with front-end technologies like HTML, CSS, and JavaScript. Known for a keen eye for detail, problem-solving abilities, and a commitment to continuous learning. Eager to contribute innovative design solutions in collaborative, fast-paced environments.
